

Transcript Release Form

Note to Parents

As a part of the admissions process, Canyon Heights Academy requires an official transcript from the most recent school attended by the applicant. Both the academic and personal records are reviewed by the Admissions Committee as it evaluates each candidate's application. Most schools, including Canyon Heights Academy, as a matter of policy or law, do not release a student's transcript without a signed request to do so by the student's parent(s)/guardian(s). Please sign the authorization below and send it to your current school, so that admissions considerations may proceed as rapidly as possible.
